YOUNG STAR SHOOT STALLION IS STAR OF KOHLER DISPERSAL SALE.

H. Price Headley Purchases Promising Young Sire for His Kentucky Establishment at Price Slightly in Advance of That Paid for Peter Pan.

New York, September 4.—Results that attended today's dispersal sale of thoroughbreds owned by the late Charles Kohler, comprising the entire Ramapo Stud, Indicated that horsemen and breeders have great confidence in the inture of racing in the country. The young and promising stalllon, Uncle, brought \$38,500, which is \$500 more than was realized for Peter Pan on Thesday last at the sale of the late J. R. Keene's Castleton Sind. Mrs. Charles Kohler was present at the sale and had anctioned George Bain impress upon the minds of the bidders that she could have sold Fucle for a large sun abroad, but that ske preferred to have him brought back to this country for patriotic reasons. He was finally purchased by H. Price Headley and will stand on his farm in Kentucky. Following were the orices realized:

NOTES OF THE TURF.

The record for number of races run on any one day at a track on this continent probably should be awarded to Minorn Park at Vancouver, B. C. Last Saturday the British Columbia Thoronghbred Association ran off an eleven-race card, beginning at 2:25 o'cleck and finishing at about 7 p. in. Ten-race programs have been run tremently on the half mile tracks of Canada, as well as at Minorn, but this is the only instance that can be recalled when ten has been exceeded. There has been to racing at Minorn Park for several days this week, in order to avoid conflict with the Provincial Exhibition, but the sport will be resumed Saturday and continue milhterruptedly muil the meeting closes soon after the middle of September.

BIG PRICE REFUSED FOR WHITE EAGLE.

W. Hall Walker recently refused an offer of \$120,060 for the stallion, White Eagle, which is standing at the Tully Stud in Ireland. The horse, whileh was foated in 1965, is by Galimule-Merry Gal, by Galopin-Mary Scaton. As a two-year-old le won the Woodcote Stakes at Epsom and other valuable races, and in his second season, in addition to aecounting for some valuable stake races, was second to Your Majesty for the Doucaster St. Leger, As a four-year-old he won the City and Suburban. The value of the races he placed to bis owner's credit was \$83,552. He was sent to the stud in 1910.

BROOMSTICK CONTINUES LEADER AMONG AMERICAN SIRES OF 1913

The end of August found Broomstick leading stallion of North America lu the total of money won by his progeny in the racing of 1913. Had his brilliant sou, Whisk Broom II., remained sound and lit to race, Broomstick would undoubtedly have been farther in advance of his closest competitors. However, in Buckhoru, Meridian, Black Broom. Leochares, Princess Callaway, Barnegat, Nightsick and others, he has worthy representatives to uphold him in bis present position. His line of aucestry beginning in this country with Queen Mary's son, Bonule Scotland, and coming down to the present time through Bramble and Ben Brusb, is one of the best in the world, and such a grand horse as Whisk Broom II, should in his time maintain it in prominence nobly. Second to Broomstick is the premier sire of 1912-11, Star Shoot, and if Heilos should prove equal to carrying off one or two of the principal events of the approaching Kentucky fall campaign he might achieve the primacy for a third year in succession. The good Ayrshire horse, Peep o'Day, has done exceedingly well this year and is pressing Star Shoot closely. But he is now twenty years old and, after the manner of horse life, must soon disappear. Meantime bis three-year-old son, tock o' the Walk, is a real race horse in all respects. In the list of twenty leading sires fifteen are American ired and five English bred. Usually for some years past it has been almost at between the native and foreign breds, but at present such fine representatives of our own breeding as Uncle. Dick Welles, Yankee, Peter Pan, Chnard, Ort Wells and Stafwart have forged into prominence, largely because in the distressing condition of raching for some years past no one felt inclined to import high-priced English theo. BIG CROWD AT TIMONIUM

GOVERNOR'S DAY AT MARYLAND FAIR AT-TRACTS CROWD OF 20,000 PERSONS.

Little England Is Returned Winner of Maryland Jockey Club Handicap-Blitz Suffers Disqualification After Finishing First.

Balthmore, Md., September 4.—This was Governor's Day at Timoning and Governor Goldsborough caused some disappointment by falling to appear at the track. Still some 20,000 persons did, with the result that the four stands were packed, as were the spaces along the rails, and many did not have a chance to see the races. The Maryland Jockey Chib Handicap, about one mile, was the day's star number. A field of nine ran for the purse of \$500, the most valuable of the meeting. After a spirited contest, Little England was returned the winner. Roscoe Troxler, who was to baye started reling today, was eigaged for Little England, but baying no riding equipment, had to cancel his engagements for the day.

J. C. Ewalt won the steeplechase, in which he made all of the running and won as bis rider, Tonony Wright, pleased. The closing dasb saw the first disqualification of the meeting. Biltz being set back after flub-ing first. He Interfered with Potts Nevins twice and the last named was awarded first money.

W. P. Riggs, secretary of the Maryland Jockey

back after hins-hing first. He interfered with Potts, Newins twice and the last named was awarded first money.

W. P. Riggs, secretary of the Maryland Jockey Chib, was among those at the track today and viewed the racing from the indges' stand.

Jockey Hueston gave a daring exhibition while riding Eratio in the steeplechase. The saddle slipped balf a ndie from bome, but Hueston managed to hold the saddle on long enough to thish the race and take second money with his mount. Had the distance been a trifle longer the saddle would have dropped to the ground.

Matt J. Winn, the new mininger of the Langel track, is in town making preparations for the meeting to be held at that track next month.

Late arrivals at Havre de Grace Include the Taibott stable in charge of trainer Walter S. House and the strings of Gay Gray, J. L. Holland, P. J. Wiles and G. W. Scott.

Rose F. was badly injured through being kicked by Babbler at the post. Several of her ribs were fractured and sbe received Internal Indurles. It is improbable that she will ever race again.

GOOD FOUNDATION LAID IN THE EAST.

Results of Racing Season Just Ended Highly Gratifying-Prospects for 1914 Excellent.

The New York Telegraph, commenting upon racing conditions in the east, has this to say:

"Racing has come back. No other conclusion can be reached after the magnificent season of sport that was conducted by the Saratoga Association. There was a doubt when it was decided to conduct meetings this year, and to make certain the Infilment of each program a fund was raised by the owners and others interested in the theroughbred to see to It that every obligation should be met.

"Fortunately this fund was really not necessary. Both the Saratoga Association and the Westchester Association made money. It was not the money that these associations made in the better days of the sport, but the balances have been on the right side of the ledger,

"What was fully as important as the actual making of money was the enthusiasm with which a resumption of the sport was welcomed. There is no denying that the horses were not up to the standard of a few years back, but that is a condition that was inevitable with the devastation of the breeding farms, due solely to the anti-achig lexibation that forced so many farms out of business and at the same time resulted in the shipping away of many of the most desirable stallons and broodmares.

"Now that It has been proven that the sport is dear to the red-hooded Americans these farms can be re-stocked, and within a short time it is inevitable that the seasons of dearth will only be an unpleasant memory.

"Already plans are being made for future seasons and although there has been uo annonneement of

'Already plans are being made for future seasons

that the seasons of dearth will only be an unpleasant memory.

"Already plans are being made for future seasons and although there has beeu uo annonneement of dates for 1914 there appears to be no good reason why racing should not begin April 15 and close Novuber 15 in the state of New York. With the awakening of the sport in this state the whols country has been greatly benefited. For New York has set the pace.

"The circuits are mydening and at this time horsemen have a better opportunity to race their horses and breeders buye a better opportunity to market their yearlings than at any time sluce the adoption of the Hughes anti-racing laws.

"Not even in the pulmiest days of racing were the crowds better than those that attended the season just closed at Suratoga. From the first day to the last the nicturesque course was througed, and some of the old-timers who saw Kentucky win the Travera in 1864 and have seen every running of the stake since that time have said that the crowds of 1913 were the equal of any year. It was the test for racing and racing has won, it is a sport that is too big to be stamped out and it is so insty that it will quickly come back to where it properly helongs.

"There were a number of horsemen whe were a bit dubious about the return of racing to New York when it was first announced that Belmont Park would be opened. They preferred to remain in Kentneky with their thoroughbreds or elected to take what Canada had to offer. As the Belmont Park meeting went on it carried with it conviction and one by one they came along, but it was not until Saratoga was reached that there was confidence enough to Induce proper support. Next year it will be different. The associations have shown that these meetings can be conducted and with the famous old prizes that bave been renewed the borsemen have a confidence that will result in bigger and better stakes than before.

"Saratoga itself, after two lean years, has come to a hearty appreciation of what racing means for the village and it would be hard in

DOUGLAS PARK ALREADY IN CONDITION.

DOUGLAS PARK ALREADY IN CONDITION.

Lamisville, Ky., September 4.—Though the compling meeting at Douglas Park, which will inangurate the local antimin racing sealson, will not begin until two weeks from the coming Theosday, everything is already in readiness there for the hig meeting. Finder Manager John Hachmeister's orders Superintendent Lenis H. Noble has repainted all the buildings, inside and out, and this work is practically completed. Noble has had the 2,000 grandstand chairs painted, and 136 benches, which are distributed around the park safromding the stand and paddock, have also been repainted. The administration infiding, Manager Hachmeister's office, the stewards' quarters, the secretary's office, the jock-eys' oparters and the paddock have all been put in the best possible condition, and no expense spared to make them complete he every detail. The lawns have been mowed, as well as the center field and begrounds sarrounding the stables, and the big dower beds could not be more heantiful than at present. In fact, it is hard to lungine a more sightly spot than Douglas Park new is and it will remain so until the meeting closes there, on Saturday, betober 4, the date set for the running of the big race of the meeting, the \$5,000 Louisville Pup, two miles, All the stables not occupied have been assigned to horsemen, except a few stalls in the long barn at the entrance to the track, which will be reserved for trainers having only one horse in charge.

Trainer Pete Coyne, who is due here from Saratoga with the racing stable of George 4. Long, bended by that great four-year-old, Free Lance, will quarter his division of Mr. Long's horses at Douglas Park are the fast three-year-old silly, while at the fall meeting of the New Louisville Jockey Club he has been entered for the \$15,000 kentheky Endurance Stakes, four nilos, His engagements this fall at Latonia lucinde the Autumn hangmar Handleap and the Latonia Cup, two miles and a quarter. Others in the Long string coming to bouglas Park are the fast three-year

signed stable room for eleven horses at bonglas Park. In his string is that speedy illly, The Widow Moon.

Stalls are ready at Donglas Park for the reception of the noted three-year-old gelding, Hawthorn, and his stable companion, Bine Jay, owned by the local tarfinan, Charles F. Buscheneyer, and still in charge of trainer W. S. Trevey. Hawthorn's engagements here this fall are in the haugural Handicap and Louisville Cup at Donglas Park, the Falls Uity Handleap, at Churchill Downs and the Antunn hangural Handicap and Latoula Cup at Latonia, Trevey is quoted as saying recently that he expects Hawthorn to return to his best form this fall, as the gelding has always done well in tradulay over the Louisville and Latoula tracks. He believes a short rest will enable the son of Hastings to round back to the brilliant form he showed last fall as a two-year-old at these tracks.

Trainer R. Medillant is now at his farm in Boone County, preparing to ship to Donglas Park several horses that are to be added to his string at that track, comprising Wishing Ring and the maiden horses that are to be added to his string at that track, comprising Wishing Ring and the maiden horse facing since early summer. McMillan has several good prospects in the mitted performers he is bringing here from his farm. Wishing Ring is booking better now than she has since the summer of 1912, at Latoula, where she twice won and in one of her winning races puld the record odds of over 900 to 1 in the motnels.

Trainer Al Kirby, who has a string of six horses at Louiglas Park, is in receipt of a letter from J. B. Respess to the offect that he will ship here his ten horses, now in Canada, on September 10. Respects his tids string quartered at Windsor. He did not care to ship them to the het weather and they were son for not rebording to Kentucky sooner is that two dilles in his stable have been ailing and he did not care to ship them to the het weather and they were hotter.

son for not rebriding to Kenlineky Somer is that the fillies in his stable have been affing and he did not care to ship them in the hot weather oathl they were better.

Mrs. George Haio, widow of the Tennessee trainer, who was killed in automobile wreek near Frankfort last Sunday night, will make her home in future with her mother at the Johnson facin near Nashville. Ham's remains were interred at Nashville last Toesday, and the expecses of his calborate finieral were home, by his comployer, William Gerst, The estate that Ham left helmfed a \$5,000 life insurance policy payable to his widow.

Tealner C, W, Carrell has turned over to former jockey Lonis Konze, Steinle & Hofgersang's seven year old gelding Philooker, which has been entered for the \$15,000 Keatteck Endurance Stakes, to be run on the opening day of the New Lonisville Jockey Chib's meeting on (6toleer 8, The gelding will cemial his the Carroll barn at Churchill bowns multibe race is run. Knuze was quite a famous race rider some twenty years ago and in one season, in 1893, won the Kentucky Berby on Lookont, the Teonessee Derby on Calhorn and the Clark Stake, on Boundless, in after years he rode many whiteers in California.

Twenty stalls in learn 8, at bonglas Park, have been reserved for the fifteen or more horses in the stable of the Charicanati turfman, J. Llylugston, in charge of trainer Mose Goldblatt, Stable D, has been reserved for the Teonessee berfunan, J. Schorr, who is coming here with eighteen horses. The latter entered Leocharss and Hamilton for the Lonisville Cup. Mr. Schort salso well represented in the Churchill Downs and Latonia stakes.

Al Kirby means to get together a string of horses this fall to campaign during the coming winter at Juarez. Kirby took a string of horses to Juarez for the first winter meeting at that track, in 1909, 1910, and was quite successful there that season. There are few men as competent as Kirby as a trainer, especially with horses that have been on the crippied list, as illustrated in the cases of linghes and Genined, in his hands raced successfully, though neither schom came out of a race without pulling up lame.

C. W. Carroll has A. B. Spreckels' big band of horses, now quartered at Churchill Downs, in the best of condition. He may send two youngsters to Lexington to race with the shipment of Ban Lehm, which will go there from the Downs next Monday, but none of the best of his string will face the barrier until the Donglas Park meeting begins on September 23.

GATHERING AT HAVRE DE GRACE.

Havre de Grace, Md., September 4.—With the close of the meeting at Saratoga horsemen are headed this way, and by the close of the week stable room at the Harford County track will be at a premium.

Woods Garth and Lewis Garth put in an appearance yesterday from Saratoga and Camada with nine-teen head, among them Col, Rai Part's band of two-year-olds. There are no jumping events on the Havre de Grace card and so the cross-country members of the Garth string were sent to Beoning to shape in for raching at Laurel and Pindleo.

G. W. Langdon also arrived from Saratoga with Addie M., Charlestonlan, King McDowell and Briar Puth. Addie M., which ran a lang-up third in the Futurity Saturday, is considered one of the likeliest filies of the year, and is well entered in the two year-old stakes.

II. G. Bedwell was another arrival, with two carloads from Windsor, Antong the Bedwell cracks are Lochlel and Elwah, which are entered in the Havre de Grace Handleng for the opening day, (tthers of the Bedwell string are Dally Waters, Brave Cumarder, Pat Raitedge, Pardner, Marjorie A., Prince Alamed and Early Light.

W. B. Carson, Andy Malone and Marlin Foley came in from Port Erie, Archie Zhunner was another Saratoga, They say there is a searchly focars and that their shipments are held up for a long time on the road.

POPULAR STALLIONS IN AUSTRALIA.

There was an error recently in a Sportsman paragraph which set out the amounts won by famous Australian horses, Trafaigar being credited with \$50,000 less than he really netted during his leitiliant career on the Turf. The total amount won by him in stakes was about \$115,000, and he is now advertised at 100 guineas fee, whileh is a very high one indeed for the colonies, where even such a proved success as Positano stands at 50 guineas, as also does Bobadil. It is very satisfactory to that that Trafaigar is in such favor, for the tendency in the colonies has been for a good many years past to run after \$1, \$5 mon and Galopin blood to the exclusion of the good old strains that made the tame and fame of the "Waler," Trafaigar is a son of Wallace, Carbine's best Australian-bred son, and Wallace hes bested to be best and fame of the "Waler," Trafaigar is a son of Wallace, Carbine's best Australian-bred son, and Wallace hes proved himself to be about the best stallion in Australia, and bis racing record will bear comparison with almost any other. It was he which ran the dead heat in record time over three noises with Quilver (danglater of Trenton) when such was the belief in the hardiness of both animals that the owners were considered misjortsmallike in not running it off. Trafaigar became almost as popular on the Australian turf as was his grand sire, Carbine, and there seems to be no doubt that he will be given every chance to transmit the great nerits of his line to an Illustrious progeny.

It is of considerable interest to study the Australian stud advertisements. There I find that Earlston (hip.) has been raised to a 50 guineas fee. This horse used to belong to 4, B, doel, and quite a good one he was at one time. He is by Love Wisely out of Monday, by Wenlock, her dam Settling Day, by Homester out of Vex (sister to Galopin). He is already the size of tanny winners and at this year's sales his yearlings made the best average. At the same stall in New South Wales are Cardinal Beaufort is a John of Gaunt horse and

The Nul, brother to Lally, and Sir Tristram, hy Rend Or out of Angola, by Machenth, her dam Angelica (sister to St. Simon). He is very closely related to Orme, and as be is already like sire of over ninety winners his fee of 20 gulmeas seems moderate indeed. The Nut stands at the same fee, but he, of course, is not a proved sire.

Other Imported stallions that are advertised are Blankney L, fee 20 gulmeas; Knightlight, Ge 20 gulmeas; Italians, and Andria, fee 15 gulmeas. Blankney is by Flying Fox out of Tazalle's dam, and he could go a great pace. Knightlight will be remembered as a winner of many races, and he comes of the Paratila family. Vetman is a great, good looking son of Persimmon and the Oaks whoner, tur Lassie, by Ayrshire. He is three-parts brother to Your Majesty, and is very highly thought of in New South Wales. Andria is by Ladas out of Aleyance (dam of Ballantrae), and he has already made a big mark in his new country, where, as yet, there are only two other sons of Ladas available.

The Colonial bred Malt King, by Maltster out of Patrona, by Grand Flameur, has such a distinguished champion miler of Australia," and distinguished record that his fee has been fixed at 50 gulmeas. He is discribed as "Hids brilliant and distinguished champion miler of Australia," and this may be no exaggeration, for his winnings amounted to no less a sum than \$65,000.

Alawa, another son of Maltster, is among the 50 gulmeas elite. His dam, Crossibe, was by Goldsbrough (sire of the dams of Trenton, Aicreent and Wallace) out of Powder (hup.) by Blinkhoolie out of Fen destans of Trenton, Aicreent and Wallace) and of Inmist be remembered litat his maternal grandsfre, Blinkhoolie, was one of the thest stayers we have ever seem in England. "The Special Commissioner," in London Specisman.
